Hasit Ruparel  
Internet Services

Dear Hasit,

Hasit Ruparel was brought on as a consultant in April of 2004 to help our web based company gain exposure on the internet. I was recommended to Hasit from another company who had success with their advertising campaign as a result of his efforts.

Prior to contracting Hasit, my company had very little exposure on the internet. Hasit was hired to provide search engine optimization and promotion. Through his efforts, I am pleased to say that my company appears on the first page of the top search engines under a number of possible keywords. His continued efforts to promote and optimize our website have also kept us in a top ten ranking.

Mr. Ruparel has been a pleasure to work with. He is a very honest, reliable and conscientious individual who also is quite knowledgeable in his field. He has done a nice job conveying the necessary steps in promoting our optimizing our website – a topic that was once quite foreign to me.

I would highly recommend Hasit Ruparel for any projects related to this field. If there are any questions, I can be reached at the following numbers:
