To,  
Intranet Services

**To Whomsoever it may concern**

LayerOne worked with Intranet to optimize and promote our website.

We provided roughly 30 key words/phrases and, **in just over a week**, Hasit and his team had LayerOne ranked **between 1 and 7** for each keyword on Google and other search engines.

We were delighted with the quality and timeliness of the work.

Best Regards,  
**Brandon Freeman**  
President & CEO
